

# Night Chats at Lake Claremont

## Fantastic Fungi

Speaker

**Roz Hart**

Fungi are an essential part of the harmony of life on Earth, from lake sites to eucalypt forests, western woodlands to tropical rainforests.

Fungi play a huge role in the web of life. Roz will show us what fungi you are likely to see at Lake Claremont.

Roz is an ecologist and an active member of the WA Field Naturalists Club. She hosts heaps of fungi talks and excursions in WA. She was a Community Education Officer on the Perth Urban Bushland Fungi project 2004-2011.
